

The Christian Friesen Memorial Award

Christian 'Chris' Friesen loved lacrosse. It was his passion. He wanted to be the best. Chris would want us to use his passion to fuel us. He learned early on from his Langley Lacrosse Association coaches he had to work hard to be the best. His experiences with the SFU coaching staff and the Burnaby Mountain Selects program taught him that to be the best required discipline, hard work and perseverance. It changed his life from his eating habits to his fitness habits. He never quit. He was taken from us far too early at age 17, just as college recruitment letters were arriving and decisions about the future were contemplated. This fund will help honour Chris' memory by providing students playing lacrosse at SFU a chance to work harder on their studies, work harder on lacrosse and CHANGE THE WORLD as a result. Chris Friesen would want it that way.
